

Science Talks @ the Excellence

Department of Chemical Sciences

18 Settembre 2024 – 16.00

Sala L. Mangoni – Complesso Universitario di Monte S. Angelo

16.00 - **Opening**

Matteo Lorito - Magnifico Rettore Univ. Napoli Federico II

Luigi Paduano – Direttore del Dip. di Scienze Chimiche

Paola Manini - Univ. Napoli Federico II

16.40 - **Introducing Lecture**

Marcella Bonchio - Univ. Padova

“Inspired by Nature and Beyond: Exploring Functions
to Design Solutions”

17.00 - **Nobel Laureate Lecture**

Frances H. Arnold - Caltech University

“Innovation by evolution: bringing new chemistry to life”
