You are invited to read the experience reports written by former exchange students. These reports can give you precious information on courses, as well as on cultural and social aspects of USI, on the residence and on Lugano:

<http://www.relint.usi.ch/en/studenti-ospiti/rapporti-soggiorno-ospiti.htm>

REGISTRATION PROCEDURE

The registration is online at the following link:

<http://exchangeprogrammes.lu.usi.ch/selection.aspx>.

The login and the password will be sent to you after the nomination. You will be asked to upload a passport picture as part of the online registration process, so we suggest to prepare an electronic version of it in advance (allowed files: .jpg, .jpeg, .gif, .png; size < 0.5MB). Please note that only passport-style pictures can be accepted.

To finalize your application in the Exchange Programme at USI you are required to send the following documents to the International Relations Office by May 15th 2015 (Autumn Semester/Whole academic year) or by November 1st 2015 (Spring Semester):

1. Certificate of registration from your University valid for the exchange;

7. Photocopy of the Health Insurance card (if available);

We only accept original documents approved and signed by the home representatives and sent by ordinary mail.

You will receive a written confirmation (together with other rel-

evant information concerning the courses application process) as soon as your personal data has been processed.

HEALTH INSURANCE

All Swiss residents, including foreign students holding a residence permit valid for more than three months, are obliged by law to be insured with a recognised Swiss health insurance company, providing them with basic cover when in need of medical care in case of illness or accident. Foreign students living in Switzerland may be exempted from the obligation of subscribing an insurance policy if they can prove they are covered by an equivalent insurance in their home country. To take advantage of this exemption, you must make an official request using the appropriate form.

– If you have the **“European Health insurance Card”** which entitles you to receive medical care in Switzerland, remember to bring it with you. The staff of the International Relations office will explain how to ask for the exemption during the welcome meeting.

– If, on the other hand, you have a **Private Insurance Policy** please use the following link:

<http://www.unisi.ch/en/formulario-assicurazione-6-2-en.pdf>

Download the two forms (“Request for exemption from Swiss compulsory medical insurance; EU/EFTA citizens private insurance holders” and “Statement regarding the level of Insurance Coverage”). The forms must be filled out and signed by your insurer and sent back to:

Istituto delle assicurazioni sociali, Ufficio dell'assicurazione malattia, Via C. Ghiringhelli 15a, 6501 Bellinzona, Switzerland.

Upon arrival in Switzerland, you must be able to certify that you have successfully completed this procedure; otherwise, you will have to purchase an insurance policy in Switzerland.

LIVING COSTS

The minimum cost of living for a student is approximately CHF 1500.-/month (EUR 950.-).

HOUSING

Students are responsible for securing their own accommodation. USI Università della Svizzera italiana operates a new student housing 500m away from the University Campus, in Via Lambertenghi 1.
