Erasmus Code : NL Eindhov03 Eindhoven, 18 February 2016

Dear Erasmus coordinator,

Fontys University of Applied Sciences (Fontys) in Eindhoven, The Netherlands promotes the exchange of students doing educational semesters in many European countries within the ERASMUS+-program which is a real asset for our students. Of course, our university also welcomes your students to study at Fontys University departments of Engineering or ICT. Also in the Fall semester of the academic year 2016/2017 we are pleased of having Exchange students from your university. Period is from 22 August 2016 till 28 January 2017.

Application procedure starts on 1 March 2016; deadline for application is 15 May 2016. The actual overview of Fontys Engineering and ICT programmes can be found at:

<http://fontys.edu/Short-term-programmes/Exchange-programmes/Engineering.htm> (for Engineering programs)

<http://fontys.edu/Short-term-programmes/Exchange-programmes/ICT.htm> (for ICT programs)

Application procedure

1. Fontys requires to receive a nomination message in advance from you. Please send us *the name, e-mail address, the university transcript of the nominated students and preferred Exchange programme* of your students to the email below.
2. Once we have received the nomination, Fontys will assess the transcript and

propose admission decisions for the chosen exchange program

3. Fontys will inform you and the student about the proposed admission decision and send a link to an online application form. The application system is called "Mobility Online".
4. Applications to exchange programmes have to be submitted entirely online.
5. Application deadline: 15 May 2016 Late applications cannot be accepted.

Important matters:

1. All Fontys Exchange programs are in English. This requires that the level of English should be at least IELTS 6.0, TOEIC 670 or TOEFL 550/80
2. Subjects from different programs cannot be mixed
3. Accommodation and living costs in the Netherlands are around 700€ per month
4. Fontys accommodation contracts are for a period of 6 months.

In case of questions, feel free to send them by e-mail.

Kind regards,
Leo Maessen, Coordinator Exchange programs Fontys ICT and Engineering
