November 1, 2017 (summer semester 2018)

Before you apply, please make sure that you **have been nominated** by your home university for the exchange program at the University of Stuttgart! After your nomination you will receive the Mobility-Online link.

 Required documents

Please upload the **final learning agreement** (signed by you, your home university and the academic Erasmus advisor at the University of Stuttgart) at your Mobility-Online account and send it to: incoming@ia.uni-stuttgart.de.

Incoming students, who would like to write a Bachelor or Master thesis in the field of Engineering at our university, will have to apply for a 1-year exchange (2 semesters):

- ➔ 1st semester: The incoming student will take courses and look independently for a thesis topic and a supervisor during the exchange semester (or B1 before).
- ➔ 2nd semester: The incoming student may write the thesis, if he/she has found a thesis topic and supervisor. If not he/she will be able to take courses at our university instead or write the thesis at e.g. the home institution.

You will have to find a supervisor for your thesis yourself. The Office of International Affairs and the academic Erasmus advisor are not able to assist in finding a suitable thesis topic and supervisor. You can only be enrolled as a student at the University of Stuttgart after we have received a confirmation from your thesis supervisor in Stuttgart.
