<p>Accommodation</p>	
<p>Availability of University Accommodation</p>	<p>For 2017/18, the University of Southampton is able to guarantee accommodation to Study Abroad Incoming students who apply before the deadline below. The university cannot guarantee accommodation to incoming Erasmus exchange students but will use its best endeavours to accommodate students. Please see our accommodation website for details on how to apply: http://www.southampton.ac.uk/uni-life/exchanges/incoming/accommodation.page</p> <p>Deadlines for applying to University accommodation is as follows: Semester 1 entry: 1st August 2017 Semester 2 entry: 1st December 2017</p> <p>If students wish to live off campus or are unsuccessful in applying for University accommodation, there is plenty of provision within Southampton for students to find shared accommodation in private rented housing with other UK and international students.</p> <p>It is imperative that all students have booked temporary accommodation before their arrival in the UK for at least 7 days prior to the start of the semester to allow enough time to secure more permanent accommodation. Please also note that the Southampton Boat Show usually takes places around the start of semester 1 in September and Southampton's hotels and guest houses are extremely busy during this period.</p>

Health Care in the UK	
NHS care and Health Insurance	The University of Southampton does not provide any health care insurance for incoming exchange students. It is therefore imperative that all students take out travel insurance. Students staying for less than 6 months must also take out health/medical insurance. Please see the UKCISA website for more advice.
