

Nanoinnovation 2018 - University "La Sapienza", Rome, 11-14 September 2018

Nanoinnovation 2018, Conference and Exhibition will take place on September, 11th-14th 2018 in the traditional venue of the Renaissance Cloister by Sangallo at the Faculty of Civil and Industrial Engineering of "Sapienza" University of Rome in Via Eudossiana 18.

Nanoinnovation is the national meeting place for the wide and multidisciplinary community dealing with the development of nanotechnologies and their integration with other key enabling technologies (KETs), in all application fields. Nanoinnovation is also a unique place for students, PhDs and young researchers to gather latest insights on developments in nanotechnologies, and meeting the key players in the field.

The participation is free, upon registration on the conference website:
