ANTONIO PICARIELLO, Ph. D – Full Professor of Computer Engineering
Dipartimento di Ingegneria Elettrica e delle Tecnologie dell'Informatzione (DIETI)
Via Claudio 21 80125 Napoli
Tel: 081 7683826
Email: antonio.picariello@unina.it

Antonio Picariello got a Laurea Degree in Electronic Engineering in 1991 and a PhD in Computer Science and Engineering in 1998 - "Computer Aided Mammography "- both from the University of Naples "Federico II", Department of Computer Science and Engineering.

From 1993 - 1995, Antonio was a Research Associate at IRSIP - CNR - The Italian National Research Council. From 1998 to 1999, he was a Research Associate a the University of Naples "Federico II", Italy, Department of Computer Science and Systems, focusing on the project "Multimedia", in cooperation with Telecom Italia. In 1999, he was appointed Assistant Professor of Computer Science and Systems, at the University of Naples "Federico II", Italy Department of Computer Science and Systems, teaching Computer Programming and Computer Architecture to undergraduate students. From 2005 to 2018, he has been Associate Professor and from February 2018 Full Professor of Computer Engineering in the same University, Department of Electrical and Information Technology Enginenering (DIETI), teaching Data Base Systems, Foundations of Computer Science and Systems , Multimedia Systems, Ontological Engineering and Big Data Analytics and Business Intelligence to undergraduate, master and ph. d. students.

From 1999 to today, Antonio has been Program Committee Member or Program Chair or General Chair of a number of National and International Workshops and Conferences.

In 2005 - "ComputerWorld.com"Honorable Mentions for "STORY"project. In 2006 - "ComputerWorld.com" Horizon Awards Winner for "OASYS", a joint project with University of Maryland Institutes of Advanced Computing Studies (UMIACS), cited in Italian newspaper and National TV Channels.

He has been editor or associate editor in international Journals (Multimedia Tools and Applications, ACM DISC 2004, Springer Computer Science Series Books) and has been/is in the Editorial Board of International Journals.

He gave several invited talks and participated to technical Panels in Europe and in USA.

He is member of the scientific Advisory Board of Centro di Ricerche Sistemi per la Pubblica Utilità (CRISP) of University of Milan Bicocca, and node reference of the National Big Data Laboratory of CINI.

From march 2016, Antonio is the director of CINI – National Laboratory on Computer Science, Network and Multimedia (ITEM).

In the last years, Antonio Picariello conducted research in the following fields: Multimedia Data Base, Video Surveillance, Semantic Information Retrieval, Social Network Analysis, Sentiment Analysis, Big Data and Big Data Analytics

He is the author/coauthor of more then 250 papers published in international Conferences and/or in International Journals. He is the co-author of 6 course books (in Italian), 1 research course book (in English). Antonio Picariello got the IS-2006-076 - "OASYS version 1.0 (Opinion Analysis System)". He is P.I. of several research projects funded by Italian Ministry for Industry, and FESR – POR Campania2007 – 2013.

Napoli, 15 aprile 2018

Prof. Ing. Antonio PICARIELLO
