1) Introduce some of the latest tech-based tools that can provide an effective learning environment in a language class. Select the one which, in your opinion, could be particularly suitable to foster students’ engagement and motivation and to enrich students’ vocabulary and comprehension.

D’ordine del Presidente della Commissione
Il Segretario
F.to Dott.ssa Antonietta Rea
3) An anonymous quote reads “Any teacher who could be replaced by a computer should be”. Comment, stating your personal opinion and your reasoning behind it.
