# Academic Information

| Semester periods | Fall semestre  mid September- mid December | Spring semester  mid February- late May |
|---|---|---|
| Examination periods (courses) | Fall semester: January | Spring semester: June |
| Final Project Examination | Final Project Bachelor: mid February (Fall semester), end of July (Spring semester)  Final Project Master: anytime during the semestre | |
| Requirements | **Bachelor Degrees**: It is essential for mobility condition to have passed at least 120 ECTS credits (you can count credits which you are still studying now and you are going to pass just before coming to our School). We set this requirement, because we do not offer courses of the 1st and 2nd year of bachelor for mobility students.  **Master Degrees**: To enroll master courses we will request you to have completed 150 ECTS before the beginning of classes, and the offer will increase if your credits completed are successively 180, 210, 240, etc. You must count your credits completed including both bachelor and master years (you can count credits which you are still studying now and you are going to pass just before coming to our School). | |

# Complete study plans

The courses of the links above belong to the different study plans of the school
*(not all these subjects are offered to incoming students)*

BACHELORS (4 year study)

· **Bachelor's degree in Telecommunications Technologies and Services Engineering** (Majors: Audiovisual Systems, Telecommunications Systems, Telematics Systems):
https://telecos.upc.edu/en/study-programs/degrees/bachelors-degree-in-telecommunications-technologies-and-services-engineering

· **Bachelor's Degree in Electronic Engineering**:
https://telecos.upc.edu/en/study-programs/degrees/bachelors-degree-in-electronic-engineering

· **Bachelor's degree in Physics Engineering**:
https://telecos.upc.edu/en/study-programs/degrees/bachelor2019s-degree-in-engineering-physics?set_language=en

· **Bachelor's degree in Data Science and Engineering**:
https://telecos.upc.edu/en/study-programs/degrees/bachelors-degree-in-data-science-and-engineering

MASTERS

· **Master in Telecommunication Engineering (MET)**:
https://etsetb.upc.edu/ca/estudis/masters/masters-degree-in-telecommunications-engineering-met

· **Master in Electronic Engineering (MEE)**:
https://etsetb.upc.edu/en/study-programs/masters/masters-degree-in-electronic-engineering-mee

· **Master in Advanced Telecommunication Technologies (MATT)**:
https://telecos.upc.edu/ca/estudis/masters/masters-degree-in-advanced-telecommunication-technologies-matt

· **Master in Engineering Physics**:
https://telecos.upc.edu/ca/estudis/masters/masters-degree-in-engineering-physics

· **Master in Photonics**:
https://etsetb.upc.edu/ca/estudis/masters/masters-degree-in-photonics
