Practical Information	
Arrival and Welcome day	Incoming students should arrive few days before the beginning of the semester or scheduled courses. Online Welcome Day takes place 1-2 days before the semester starts.
Mentor system	Each incoming student gets a personal mentor (a student at LSMU) who helps to adjust to the campus life and assists throughout the stay in Kaunas. Incoming students receive the contacts of their assigned mentors by email few weeks before arrival.
Lithuanian language courses	All courses offered for exchange students are given in English; therefore, LSMU does not organize Lithuanian language course before or during the mobility period.
Student card	National student cards (except Lithuanian) are not recognized in Lithuania; thus we recommend to obtain an International student identification card (ISIC) https://www.isic.lt/en/ or ESN card https://esncard.org/ to benefit from discounts for various services at LSMU, in Kaunas city and country-wide (transport, sports, leisure and more)
Housing	LSMU provides shared rooms in the students' dormitory for a limited number of exchange students (100-160 EUR/person). Private accommodation options for international students in Kaunas: https://1home.eu/ (150-400 EUR/room) and http://www.solosociety.lt/ (330-500 EUR/room or shared apartment)
Health Insurance	For students from EU/EEA countries: European Health Insurance Card (EHIC)

LITHUANIAN UNIVERSITY OF HEALTH SCIENCES

	For students outside EU/EEA: International Health Insurance Policy covering the whole mobility period. Liability insurance is recommended for all incoming students and compulsory for students coming for traineeship.
Visa and residency permit	For students from EU/EEA countries: No visa requirements. For students outside EU/EEA: Multi-entry national visa D. LSMU provides students with a Letter of Acceptance and submits a Mediation Letter to the Embassy of the Republic of Lithuania or diplomatic missions to your country.
Transport and Travel	Public transport (buses, trolleybuses) in Kaunas is well structured and economic with the ISIC Card; one month fair is about 6 EUR. A student must buy Žiogas (Grasshoppers) Card or download Žiogas (Grasshopper) app for purchasing tickets. Other options, such as Bolt (taxi service) https://bolt.eu/en/ or CityBee (sharing cars, bicycles and e-scooters) are easily accessible via CityBee App: https://www.citybee.lt/en.
