UNIVERSITY OF NAPLES FEDERICO II
DEPARTMENT OF VETERINARY MEDICINE AND ANIMAL PRODUCTION
APPROVAL OF THE RANKING

DECREE No. 52/2026 OF 10 FEBRUARY 2026

HAVING REGARD TO the University Regulations governing the awarding of research grants by the structures of the University of Naples Federico II, issued by Rector's Decree No. 3357/2015 of 19 October 2015;

HAVING REGARD TO Resolution No. 13 of the Department Council dated 19 December 2025, by which the Director is vested with the powers necessary for the adoption of acts relating to selection procedures within the scope of the Department's teaching and training activities;

NOTING THAT the University's planning for corruption prevention and transparency for the three-year period 2025–2027 has been incorporated into the University Integrated Plan of Activities and Organization (P.I.A.O.), available—together with its annexes and appendices, which form an integral part thereof—at the following webpage:
<http://www.unina.it/trasparenza/piao>;

HAVING REGARD TO Appendix 2.3.D – University Code of Conduct of the University Integrated Plan of Activities and Organization (P.I.A.O.), approved by the Board of Directors at its meeting of 12 February 2025 and published on 21 February 2025;

HAVING REGARD TO the Call for Applications for the admission of no. 40 participants to the Winter School course “From Capacity Building to One Health Empowerment – Afya Moja Winter School 2026”, within the framework of the transnational project TNE 23-00079 “Health Technology: From Capacity Building to Capacity Strengthening – Afya Moja”, CUP C84C24000190006, published on 19 January 2026, with Prof. Bianca Gasparrini as Scientific Coordinator;

HAVING EXAMINED the evaluation of the qualifications submitted by the candidates, carried out in accordance with the criteria set out in the call for applications;

DECREES

The acts of the qualifications-based selection procedure referred to in the preamble are hereby approved, aimed at the admission of no. 40 participants to the Winter School course “From Capacity Building to One Health Empowerment – Afya Moja Winter School 2026”, within the framework of the transnational project TNE 23-00079 “Health Technology: From Capacity Building to Capacity Strengthening – Afya Moja”, CUP C84C24000190006, with Prof. Bianca Gasparini as Scientific Coordinator.
