ANNEX A)

INDUSTRIAL PRODUCT AND PROCESS ENGINEERING	
Duration	3 years
University-funded scholarships	7
Scholarships funded under agreements with other public or private bodies	Total: 16 6 Department of Chemical, Materials and Industrial Production Engineering; - 1 scholarship entitled 'Perovskite-Based Luminescent Probes for Advanced MicroRNA Detection Systems; 1 scholarship entitled 'Multiscale molecular simulations of materials No. 1 Italian Institute of Technology 6 Interdepartmental Research Centre on Biomaterials (CRIB); 1 grant entitled "Optimisation of bacterial cellulose growth under simulated microgravity conditions for space applications"; 1 grant entitled "Production using microparticles 2 Italian Space Agency (ASI) 1 CNR
Places without a scholarship	No. 4
Total places	27
Department	Chemical, Materials and Industrial Production Engineering
Coordinator	Prof. Guido Stefano
Curricula	Materials and Structures Engineering, Chemical Engineering, Production Technologies and Systems
Website	https://www.dicmapi.unina.it/dottorato
Selection procedure	qualifications, research proposal and oral examination
Date and place of publication of the results of the assessment of academic qualifications and research proposal	10 September 2026, 3.00 pm PhD programme website (http://www.dicmapi.unina.it/dottorato) and university website (https://www.unina.it)
Date and venue of the oral examination	11 September 2026, 10.00 Aula Malquori, Department of Chemical, Materials and Industrial Production Engineering, P.le V. Tecchio 80, second rear block, second floor
Contact details for further information	Antonia Collini, Telephone: 0817685988/0817682552, email: antonia.collini@unina.it

ANNEX A)

CIVIL SYSTEMS ENGINEERING	
Duration	3 years
University-funded scholarships	4
Scholarships funded under agreements with other public or private bodies	Total: 2 2 Department of Civil, Construction and Environmental Engineering
Places without a scholarship	No. 2
Total places	8
Department	Civil, Construction and Environmental Engineering
Coordinator	Prof. Andrea Papola
Website	https://www.dicea.unina.it/dottorato/
Selection procedure	qualifications and oral examination
Date and place of publication of the results of the assessment of academic qualifications and research proposal	14 September 2026 Transport Library, Via Claudio 21, Naples, Building 5, first floor.
Date and venue of the oral examination	16 September 2026, 10.30 am Transport Library, Via Claudio 21, Naples, Building 5, first floor. ANNEX A)

INDUSTRIAL ENGINEERING	
Duration	3 years
University-funded scholarships	7
Scholarships under the Department of Excellence scheme	2
Scholarships funded under agreements with other public or private bodies	Total: 4 No. 1 CNR-INM, entitled "Adaptive Digital Twins: multi-fidelity methods for robust design and real-time control in Marine Engineering and Naval Architecture" No. 1 Leonardo S.p.A., title: "Development and virtual modelling of adaptive architectures for in-flight shape modification of lifting surfaces" 2 from the Department of Industrial Engineering
Places without a scholarship	No. 4
Total places	No. 17
Places with a scholarship reserved for graduates from foreign universities	2
Department	Industrial Engineering
Coordinator	Prof. Michele Grassi
Curricula	1) Aerospace and Naval Engineering 2) Energy and Mechanical Engineering 3) Engineering Management, Quality and Data Science for Technology
Website	https://www.dii.unina.it/
Selection procedure	qualifications and oral examination
Date and place of publication of the results of the assessment of academic qualifications and research proposal	4 September 2026, 12:00 https://www.dii.unina.it/
Date and venue of the oral examination	7 September 2026, 08:30 Venue: ROOM PT-II A Venue address: PIAZZALE TECCHIO 80 Full address of the venue: PIAZZALE VINCENZO TECCHIO 80, 80125 NAPLES THE EXAM WILL TAKE PLACE IN PERSON; ONLINE OPTIONS

	WILL BE AVAILABLE FOR ANY FOREIGN CANDIDATES OR IN THE EVENT OF SPECIAL CIRCUMSTANCES
Contact details for further information	Prof. MICHELE GRASSI Telephone: 0817682217 Email: michele.grassi@unina.it

ANNEX A)

STRUCTURAL ENGINEERING, GEOTECHNICAL ENGINEERING AND SEISMIC RISK	
Duration	3 years
Scholarships funded by the University	5
Scholarships funded under agreements with other public or private bodies	Total: 1 No. 1 INGV, scholarship title: 'Impact-based seismic early warning and dynamic response of buildings in volcanic-seismic contexts'
Places without a scholarship	No. 2
Total places	8
Places with a scholarship reserved for graduates from foreign universities	1
Department	Faculty of Engineering and Architecture
Coordinator	Prof. Landolfo Raffaele
Curricula	1. 1. Structural Engineering; 2. Geotechnical Engineering; 3. Seismic Risk
Website	https://www.dist.unina.it/dottorati-di-ricerca/dottorati
Selection procedure	qualifications and oral examination
Date and place of publication of the results of the assessment of academic qualifications and research proposal	7 September 2026 https://www.dist.unina.it/dottorati-di-ricerca/dottorati
Date and venue of the oral examination	21 September 2026, 09:30 Venue: Aula Multimediale Location of the venue: Department of Structures for Engineering and Architecture Full address of the venue: Via Claudio, 21, Building No. 7 – 1st floor – 80125 Naples
Contact details for further information	Valeria Peluso phd.dist@unina.it +39-0817683411

ANNEX A)

INNOVATION ACROSS BUSINESSES AND TERRITORIES IN TOURISM	
Duration	3 years
Scholarships funded by the University	3
Places without a scholarship	1
Total places	4
Department	Economics, Management, Institutions
Coordinator	Prof. Valentina Della Corte
Website	https://www.demi.unina.it/-/111771398-dottorato-in-innovazione-tra-impresa-e-territorio-nel-turismo-ciclo-xlii-
Selection criteria	academic qualifications, research proposal and oral examination
Date and place of publication of the results of the assessment of academic qualifications and research proposal	28 July 2026 The oral interview will take place on TEAMS: https://www.demi.unina.it/-/111771398-dottorato-in-innovazione-tra-impresa-e-territorio-nel-turismo-ciclo-xlii-
Date and venue of the oral examination	8 September 2026, 10.00 am https://teams.microsoft.com/meet/361315332707569?p=MJL2BZu885vVWS495r
