STUDENTS CALL

GIVEN the Law of August 2nd, 1990, n. 241 “Nuove norme in materia di procedimento amministrativo e di diritto di accesso ai documenti amministrativi” [“New regulations on administrative procedure and the right of access to administrative documents”] and subsequent amendments and/or additions;

GIVEN the applicable University Charter;

GIVEN the Regulation (EU) 2016/679 of the European Parliament and of the Council on the protection of natural persons with regard to the processing of personal data - hereinafter EU Regulation 2016/679 - relating to the protection of individuals with regard to the processing of personal data, and the related National legislation of the Code regarding the protection of personal data, Legislative Decree N. 196/2003, as modified and integrated by Legislative Decree No. 101/2018;

CONSIDERING the Regulation of the University of Naples Federico II regarding the processing of personal data, issued with D.R. 2021/1226 del 19/03/2021;

CONSIDERING the Scientific and Technological Cooperation Agreement signed between Università degli Studi di Napoli Federico II and Apple, for the establishment of the **Developer Academy** (hereinafter Academy), for the training in the development of new applications and digital services, with the purpose - among others - to provide students admitted to the Developer Academy with the necessary skills to become “developers” of innovative apps, i.e., professionals who can design, implement and commercialize innovative services on Apple technological platforms;

CONSIDERING that, as expected in the mentioned above Scientific and Technological Cooperation Agreement and in the project annex, the students will be admitted in the Academy after the procedure of selection

GIVEN the Administration Board decree of 25th July 2016 and subsequent with which the administrative and accounting management of the Apple Developer Academy courses

has been entrusted to the “Centro di Servizio di Ateneo per il Coordinamento dei Progetti Speciali e l’Innovazione Organizzativa” (COINOR) dell’Università degli Studi di Napoli Federico II;

DECLARES

SECTION 1

(Announcement and number of seats)

This University announces a selection of up to **120** students to be admitted to the **Federico II Apple Foundation Program, academic year 2026/2027, 1st and 2nd cycle**. The seats will be divided into four cohorts. Each cohort is composed of **60** students. The Foundation Program is a short term, challenge-based class designed to provide the opportunity to developers to experience Apple’s learning framework in order to design iOS app prototypes. The Foundation Program will be carried out in several batches over the year, and each batch will consist of at least 60 participants. The Foundation Program can be followed by Federico II University active students from various backgrounds. Coding skills are not required. Candidates from tech, design or other fields of expertise are welcome to apply. The present selection refers to the academic year 2026/2027.

SECTION 2

(Requirements for participation)

In order to be eligible for the selection mentioned in section 1, the applicants must be enrolled in the University Federico II, must be up to date with the payment of their University fees and must not have previously attended the Apple Developer Academy or any other Foundation Program course.

Candidates get a provisional admission to the selection. The University can decide to exclude any candidate, at any stage of this selection procedure, if the requirements are not fully met.

SECTION 3

(Application for participation in the selection procedure)

The application form must be submitted exclusively on-line through the following on-line form:
<https://forms.cloud.microsoft/e/H5sxQa3ppQ>

The on-line registration is available since the publication date of this announcement and will close mandatorily (and under penalty of exclusion from the selection procedure) at:

- October 2nd, 2026 at 9:00 a.m. for the I cohort;
- October 30th, 2026 at 9:00 a.m. for the II cohort;

To submit your application, fill in the above mentioned on-line form and upload both your curriculum vitae and a motivation letter. **The mentioned documentation must be in English.** You may apply exclusively only for one cohort.

Failure to comply with the regulations will prevent the admission to the selection and, in any case, result in an exclusion from the procedure.

All communications concerning the selection will be given exclusively via on-line publication on the Official Noticeboard of the Università degli Studi di Napoli Federico II (available at the University website www.unina.it), as well as on the Apple Developer Academy website www.developeracademy.unina.it.

SECTION 4 (Evaluation Committee)

The Evaluation Committee will be appointed after the final deadline for submission of the participation applications. Its composition will be announced through a notice, **published exclusively on the Official Noticeboard of the University** (available at www.unina.it) and on the website www.developeracademy.unina.it.

SECTION 5 (Selection procedure)

The selection procedure will consist in an evaluation of the presented documentation (curriculum vitae and motivation letter).

SECTION 6 (Publication of the ranking list)

The merit ranking lists will be drawn up separately for each cohort, only based on the scores obtained with the evaluation. In the event of a tie, the younger candidate shall prevail.

The final ranking list will be published in the Official Noticeboard of the Università degli Studi di Napoli Federico II (available at www.unina.it), as well as on the web site www.developeracademy.unina.it.

The final ranking will be published at latest by:

- October 6th 2026, for the first cohort;

- November 5th 2026, for the second cohort;

Please note: The score obtained from the evaluation is valid only for the cohort in which you apply for; under no circumstances it will be valid for admission to the other cohort.

SECTION 7

(Procedure of acceptance)

The admitted candidates have to formalize, under penalty of decadence, their attendance to the Federico II Apple Foundation program by signing a declaration with which the admitted person undertakes to comply with the provisions of this selection notice.

Once the deadline for acceptance has expired, if there are any places left due to either missed acceptance or subsequent withdrawal, the ranking will be scrolled according to the order of the same. Any scrolling and the relative terms for late acceptances will be made known exclusively via publication on the website of the University of Naples Federico II www.unina.it and on the web site www.developeracademy.unina.it.

SECTION 8

(Publication of the procedural acts)

This notice of selection and all documents attached will be published exclusively by on-line posting in the Official Noticeboard of the Università degli Studi di Napoli Federico II (available at the website www.unina.it), as well as by publication on the website www.developeracademy@unina.it

The online publication in the Official Noticeboard of the Università degli Studi di Napoli Federico II has the force of notification with all effects and no personal messages will be sent to interested parties. Therefore, it is recommended a constant consultation of the web links above.

SECTION 9

(Access to documentation)

Applicants have access to documents concerning the competition procedure, in accordance with the current legislation. This right will be exercised in the manner prescribed by the University Regulations laying down the rules on administrative procedure and the right of access to documents, issued with the Chancellor Decree n. 2294/2010 and subsequent amendments and additions.

SECTION 10

(Privacy and information on personal data)

In accordance with the art. 13 of the EU Regulation 679/2016, the personal data collected will be processed for the purposes of the procedure for which they are released and will be used exclusively for this purpose and in any case within the Institutional activities of the University, in compliance with the provisions of the Regulation of the University of Naples Federico II regarding the processing of personal data, issued with D.R. 2021/1226 del 19/03/2021.

The data controller is the University of Naples Federico II, in the persons of the Rector and the General Manager, in relation to their skills. Exclusively for problems concerning the non-compliant processing of personal data, it is possible to contact the Data Controller by sending an email to the following address: ateneo@pec.unina.it; or to the Data Protection Officer: rpd@unina.it; PEC: rpd@pec.unina.it. For any other requests related to this procedure, please contact, instead, the staff at COINOR at the following address: coinor@unina.it.

The concerned parties have the rights referred to the articles 15-22 of the EU regulation. The complete information related to the collection of the personal data processing in this procedure is reported on the University website <http://www.unina.it/ateneo/statuto-e-normativa/privacy>.

SECTION 11

(Final Provisions)

The University reserves the right to exclude at any time the applicants participating in the procedure pursuant to this notice for failure to comply with its provisions or within the time specified or for default of the applicants' requirements. The exclusions are made with a Chancellor's Decree. Exclusions will be notified exclusively by online publication in the Official Noticeboard of the Università degli Studi di Napoli Federico II (available at the site www.unina.it), as well as by publication of the exclusion decree on the website www.developeracademy.unina.it.

Please note that Annex A is part of this announcement. We strongly recommend to carefully read the aforementioned document.
